

Workers' Compensation CE

Workshops and On-Demand Videos

IEA provides a wide range of topical in-class workshops and videos to keep you up to date with the latest changes in your field. These programs are led by industry experts and offer CE credit toward your California state certification requirements.

TAKE A VIDEO

Purchase, View, Get CE!

It's easy, convenient, and cost effective.

No need to download any apps, simply access the video from your computer or mobile device.

Enjoy access to the course for 14 viewing days from time of purchase. Certificate for your CE hours can be emailed to you on completion.

TAKE A WORKSHOP

In-Class, In-Person

Prefer an in-class experience? IEA offers classroom based workshops throughout California. Check our schedule regularly for updates
