CE Workshops and Videos

INTRODUCTION TO WORKERS' COMPENSATION CLAIMS

It's everything you ever wanted to know about the principles and theory that apply to California workers' compensation claims. Offered in a two-day in-class format, this workshop is a dynamic interactive event that promises to set emerging claims handlers on the right platform for success, and poised perfectly for further professional development such as CPWC, WCCA, or WCCP.

Not a claims adjuster? Not a problem. This program is suitable for anyone who could use a foundations course in workers' compensation.
